

# 12 Years a Slave

This book is now also available in large print. Now a major motion picture, this remarkable memoir details Solomon Northups twelve years of slavery, from his capture and his being sold into servitude, to his eventual release. This classic text shows the sheer brutality that was inflicted on slaves in the Deep South, as well as the humanity that eventually helped Solomon regain his freedom. Also included in this version of Twelve Years a Slave is biographical information detailing Solomon Northups life after his release from slavery, and a glossary with helpful information on rare and obscure words. First published in 1853, 12 Years a Slave is the extraordinary account of one mans courage in the face of cruelty and injustice.
