

# Who is Your Mother and What Do You Call Her?: A Rhyming Fun Childrens Picture Book

With rhyming words and beautiful photography of animals, this book asks and answers questions about mothers. What is a mother? What kinds of mothers are there? What do mothers do? Who is your mother? . . . And what do you call her, if not the name Mother itself? Mother and baby animals that appear in the book include dog, cat, bird, kangaroo, llama, penguin, squirrel, guinea pig, chipmunk, racoon, seal, rabbit, sheep, owl, frog, polar bear, mountain goat, wolf, and elephant. Each one asks or shows what motherhood means. This is a perfect birthday, Mothers Day, or any day book for a young child.
