

## Penguin Great Loves Magnetism

Film star George Hannaford oozes charm. Although women fall at his feet, his marriage is the most solid in the movie business. But when he sees his wife staring into another mans eyes and returns home to a blackmailer demanding fifty thousand dollars, he begins to doubt everything. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to loves endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love
