

Saving the World (Maximum Ride, Book 3)

In MAXIMUM RIDE: SAVING THE WORLD AND OTHER EXTREME SPORTS, the time has arrived for Max and her winged Flock to face their ultimate enemy and discover their original purpose: to defeat the takeover of Re-evolution, a sinister experiment to re-engineer a select population into a scientifically superior master race...and to terminate the rest. Max, Fang, Iggy, Nudge, Gasman, and Angel have always worked together to defeat the forces working against them--but can they save the world when they are torn apart, living in hiding and captivity, halfway across the globe from one another?
