

Shes Not What She Seems (Sweet Valley High Book 92)

Shakespearean tragedy! Jessica Wakefield has landed the starring role in Sweet Valley Highs production of Macbeth, and suddenly shes too busy for anyone except Paula Perrine, a timid new transfer student who idolizes her. At first Paula spends all her time fawning over Jessica and helping her prepare for her role. But before long, Paula seems to be better friends with Jessicas crowd than Jessica is. Jessica is pleased that her new friend is coming out of her shell, but when Paula falls to tell Jessica that shes been made her understudy, Jessica wonders if Paula is trying to steal not only her friends but her role as Lady Macbeth as well! No one else, not even Jessicas twin, Elizabeth, believes shy Paula could do such a thing. Can Jessica convince her friends of the truth before its too late?
