

A Place To Stand (U)

Noels sister, Ethel, is dying, and for the first time since childhood, he spends a week in her company. As she drifts in and out of consciousness, he discovers more about her past, her fight for womens rights in education, and in the process reasses his own life. Buried in this past is a secret infatuation for a man who reappears in Ethels story, and that of her daughter, in a most unexpected way.
