

## Princess for Hire: The Royal Treatment

What girl wouldn't swoon over the outrageous perks in Desi life as a princess substitute? Desi gets to hang out with crush-worthy Prince Karl, and the Facade agency has taken a special interest in her magical abilities. But between sub training, starting the eighth grade, and dealing with the cute-but-bossy new boy Reed, she's beginning to feel like she's in over her head. Even worse, when Desi learns a secret about the magic that keeps Facade running, she realizes that not everything is as perfect as it seems. Perfect for fans of *The Princess Diaries* and full of humor and heart, this second installment in the *Princess for Hire* series shows Desi that the royal treatment may just be masking mysteries, and only she can uncover the truth....one princess at a time!
