NEW YORK TIMES bestselling author Mercedes Lackey enters a world with fractured fairytales that lead to Happily Ever Afters with some unique twists and turns along the way! THE FAIRY GODMOTHER When Elena realizes she's never going to find her prince, she decides to break with The Traditiona mystical power that encourages everyone in The Five Hundred Kingdoms to find their storybook role and head off on her own. Because even with a little help from a Fairy Godmother, the road to a Happily Ever After isn't smooth. ONE GOOD KNIGHT Facing down dragons isn't the Traditional job for a princess, but when Princess Andromeda is chosen for the virgin sacrifice, she isn't going to go meekly. Teaming up with Sir George, her Champion, leads to a few more surprises, and suddenly she's seeing the dragon in a whole new light.
