

A Troll for Christmas: and Other Stories

Santas elves eliminate a troublesome troll and get even for a little girls rude letter in Anna-Lenas Christmas Troll, the first tale in this delightful anthology. In Davids Tree, a young Jewish boy teaches his parents that enjoying one cultures tradition doesnt always mean losing ones own. Getting the Tree turns out to be more than one family bargains for, and in Baby Suzy a childs beloved doll is resurrected by a most unusual group of elves. This entertaining and sometimes inspiring collection of holiday stories and updated, tongue-in-cheek fairy tales is certain to delight children and adults alike.
