

Ace (Brian & Lexi, #1) (Volume 1)

Tennis has been Brian Scagills life since he was six years old, raised to be a champion by an overbearing mother eager for fame and fortune. Now twenty-two, World No.6 and Britains No.1, Brians at the top of his game--but is that really where he wants to be? Lexi Horvat wasnt even expected to qualify for Englands famous Grand Slam tournament. Raised in an American Academy thousands of miles from home, hes used to looking after himself. The two players might be rivals in their field but off court the attraction they feel for each other is undeniable. Starting a new relationship in the middle of a tournament is a horrible idea, even without those around them trying to keep them apart. As their private, public, and professional lives collide, Brian and Lexi are forced to reconcile who they are with who they were supposed to be.
