

Definitely a five star book, and one of my favourite reads this year. Romance fans will love this, science fiction fans will love this and those who have to read anything even mentioning Jane Austen. - UnorthodoxMama.com Palta has seriously become one of my most favorite characters ever... - Lili Lost in a Book Proximity is the first book in a genre-bending, fast-paced young adult science fiction & fantasy series: She's an alien whose home world doesn't even know she exists. He just inherited a planet, and now he's running from it. She has spent a lifetime hiding in plain sight. He wants to escape the spotlight. Her touch can heal. His wounds are deep. Two hearts, two planets collide. It's the perfect union. Except the part where the worlds about to end.
