

## Alfreds Teach Yourself to Play Guitar: Everything You Need to Know to Start Playing the Guitar!, DVD (Teach Yourself Series)

This DVD serves as an accompanying resource for Teach Yourself to Play Guitar and provides nearly 2 hours of video instruction, including on-screen scrolling music, MP3 play-along tracks for every example, and iPod\*-compatible video files, helping you understand the concepts with more ease and efficiency. When used alongside the book, beginners of all ages can start their journey to a lifetime of playing either acoustic or electric guitar. Beginning with the fundamentals, you will learn about various guitar types and the sounds they create, how to care for your very own guitar, and getting acquainted with standard musical notation and tablature. You will then move right along to playing different notes, chords, scales, and songs, lesson by lesson, all while continuing to increase your knowledge of reading and understanding standard musical notation and TAB. You will learn to play in an array of musical styles, including Rock, Heavy Metal, Blues, Country, Jazz and Folk. Near the end of the book, you will be introduced to advanced tablature techniques such as bends, slides, and palm muting, which will help you color your musical creations with your own unique, rockin style. The book features the following helpful resources for reference during and after your lessons: \* Tablature Licks \* Dictionary of tablature techniques \* Guitar note chart \* Magic chord accompaniment guide \* Guitar fingerboard chart Be your own teacher, and let Alfred be your resource every step of the way.
