

Army of She: Icelandic, Iconoclastic, Irrepressible Bjork

Wearing thick glasses, speaking in her thick Icelandic accent, and, well, seeming a touch thick, Bjork stormed the public consciousness in 2000 as an unlikely heroine in the experimental musical film *Dancer In the Dark*. *Army of She* is an in-depth look at the woman who first took the public stage twenty-three years ago, analyzing her rise from child prodigy to punk anarchist to New Wave novelty (as member of the Sugarcubes) to hit soloist to film star.
