

## Arsenal Wenger: The Coach The Road He Travelled (Chinese Edition)

The book depicts Wenger in detail who is the smart founder of talented player, the capable coach, a revolutionist from Arsenal Football Club which is the biggest and oldest European football club. As the major impact maker who promotes modern football, Wenger accepts our exclusive interview. At the same time, the writer himself visits around Japan, France and England to contact with the players who used to devote or are devoting to Arsenal, their family members, colleagues and observers so as to obtain the pertinent description about Wengers career.
