

## A Hero of Her Own (The Coltons: Family First)

From the night he heard her scream, Quinn Logan sensed that something haunted Jewel Mayfair. The beautiful psychologist ran a ranch for troubled kids, but her own life seemed marked by grievous loss. Quinn had also known sorrow. Now he wanted to help Jewel move on beginning with a mutual attraction that was impossible to ignore. Her days at Hopechest Ranch were filled with the joy of helping others. But Jewels nights were plagued by fear and dreams that seemed all too real. Until the handsome vet chased away the terror. Could she trust Quinn and the passion he offered? Or was she falling in love with a man out to destroy her sanity and her life?
