

Bundle: Elementary Algebra, 9th + Mathematics CourseMate with eBook Printed Access Card

Ideal for lecture-format courses taught at the post-secondary level, **ELEMENTARY ALGEBRA**, Ninth Edition, makes algebra accessible and engaging. Author Charles Pat McKeague's passion for teaching mathematics is apparent on every page. With many years of experience teaching mathematics, he knows how to write in a way that you will understand and appreciate. His attention to detail and exceptionally clear writing style help you to move through each new concept with ease, and real-world applications in every chapter highlight the relevance of what you are learning.
