

## Better Than Perfect

From the acclaimed author of *Maybe One Day*, Melissa Kantor, comes a poignant coming-of-age story that skillfully captures the singular experience of being a teenage girl. This beautifully woven tale will appeal to fans of Jenny Han and Sarah Dessen. Juliet Newman has it all. A picture-perfect family; a handsome, loving boyfriend; and a foolproof life plan: ace her SATs, get accepted into Harvard early decision, and live happily ever after. But when her dad moves out and her mom loses it, Juliet begins questioning the rules she's always lived by. And to make everything even more complicated there's Declan, the gorgeous boy who makes her feel alive and spontaneous and who's totally off-limits. Torn between the life she always thought she wanted and one she never knew was possible, Juliet begins to wonder: What if perfect isn't all it's cracked up to be?
