

## Bible Study Guide -- Revelation: Good Questions Have Small Groups Talking (Volume 16)

7 ready-to-use Bible lessons on the biblical book of Revelation. Each Bible lesson consists of 20 or so ready-to-use questions that get groups talking. These questions make small group Bible study a joy. If you can read 20 questions, you can lead a Bible Study. Answers are provided in the form of quotes from respected authors such as John Piper, Max Lucado and Beth Moore. These lessons will save you time as well as provide deep insights from some of the great writers and thinkers from today and generations past. I also include quotes from the same commentaries that your pastor uses in sermon preparation. Ultimately, the goal is to create conversations that change lives.
