

Blue Skies & Gunfire

When Josie is evacuated to her aunt and uncles farm during the war, she meets and falls in love with Jumbo, a happy-go-lucky optimistic young man who doesn't let his disability interrupt a life full of fun. Their relationship takes off, despite the difficulties of the war, which interrupts their idyll from time to time with stories of tragedy and death. But when Josie meets Chris, Jumbo's heroic fighter pilot brother, she experiences feelings that are out of control: is this what real love feels like? She is torn between the two young men: one, steady and loving, the other wayward and challenging. Yet it may not be her choice to make, as the German attack on England becomes more and more
