

Branson

Virgin CEO Richard Branson is Britain's favorite businessman, a brand in himself. But is he a buccaneering balloonist or a devious, single-minded profiteer? Here, in Tom Bower's sensational biography, is the full story of the Virgin man: his friendships, his ambitions, his drug-taking, law-breaking, and steam-rolling tactics. It is a tale of greed, ambition, and ruthless self-creation. Tom Bower is a respected investigative journalist; among his previous books are *Fayed*, *Maxwell: The Outsider*, *Nazi Gold*, and the definitive biography of Klaus Barbie.
