

Bragden i Berlin (Swedish Edition)

Berattelsen är verklighet och handlar om fyra killar som reser till Berlin för att kolla VM Kval i fotboll mellan Tyskland och Sverige. Killarna hejar på Sverige och skall stå i den svenska klacken på olympiastadium i Berlin. Dagarna före hinner man besöka kulturella och historiska platser vilket ger en bra beskrivning om vad man kan göra och äta i Berlin när man inte tittar på fotboll. Samtidigt närmar sig matchen och spänningen ökar. Någon är tamligen övertygad om att detta kommer bli en genant stor förlust för Sverige! Men som vi vet så vänder vindarna och Sverige kommer igen och matchen slutar 4-4. Detta är både en reseskildring om Berlin och en VM Kval upplevelse mellan lagen Tyskland och Sverige.
