

Castles in the Sand (The Beach House Series, Book 2)

In *Castles in the Sand*, the follow up to the first book in *The Beach House* series, author Sally John explores themes of forgiveness and redemption. When Susan and Drake Starr discover that their 20-year-old daughter Kenzie is pregnant, their lives are turned upside down. The news sends Drake, a pastor of a huge San Diego church, reeling--and he sends Kenzie packing. Susan finds herself caught in the middle. Does loving Drake mean cutting ties with her only child? What will this path mean for her daughter? For herself? When Susan seeks the refuge of a beach house, a secret from her past resurfaces. This is a captivating story of how Gods mercy is evident when our foundations crumble.
