

My Holiday Memories Scrapbook for Adopted Kids (Childrens Scrapbook)

This scrapbook is especially designed for children to help them to remember their unique and sometimes complicated journeys through life. Scrapbooking provides an outlet of expression that may not be available in any other form. Families get involved and show their children how much they love them by helping them fill in the pages of this book. Author Karen Jean Matsko Hood has written My Holiday Memories Scrapbook for Adopted Kids to keep those special memories, reflections, and thoughts in a safe place for your child. Help them fill it with photographs, memoirs, stickers, and awards to complete the book of memories that will be treasured for life. As they grow and add more to their scrapbook, you, along with the rest of the family, will spend hours browsing through the scrapbook and remembering all of those special times together.
