

Dying for You (Protectors Book 29)

All private security agent Lucie Evans wanted was a fresh start and the chance to show Sawyer McNamara, her ex-boss, that she no longer craved his absolution for a crime she didn't commit. So when the offer of a trip to South America as the personal bodyguard to a billionaire heiress came up, Lucie jumped at the prospect of leaving the Dundee Agency behind. Then the nightmare began. Kidnapped in a case of mistaken identity, suddenly Lucie's only hope of survival rested with the one man she never wanted to see again. Sawyer had spent years convincing himself that all he felt for Lucie was contempt but with her life at stake, he was forced to face his true feelings. Though it may be a case of too little, too late. Because Lucie's captor wouldn't rest until she was silenced once and for all.
