

Out of the Wilderness

Sam Smaltz just wants to be left alone. But being sandwiched between the Greatest Generation and Gen X, Gen Y, and the Millennials offers him no such comfort. As a Baby Boomer, he does not get to be a respected hero by fighting Nazis and Japanese warriors during WW II or North Koreans invading South Korea, but instead is sucked into the nebulous world of present day international terrorism, where everyone is suspect and no one can be trusted. Life is not easy as it requires him to be just one more nameless, faceless hero whose story gets lost in the shuffle.
