LIMITED-TIME SPECIAL: Get This Audiobook for FREE Ethan Miller (AKA Person) is back in Minecraft, but this time around he has friends. Its just too bad that he thinks hes not good enough at playing the game to ask a few simple questions and save himself a world of grief. Instead, Ethan decides that hes going to destroy a dungeon full of skeletons all on his own. Of course, that means that hes going to die a lot. But he will discover quite a bit more about the game in the process. Join him as he fights skeletons, mines for resources, gets blown to pieces by gangs of angry creepers, accidentally angers a witch, tames a few pets and finally finds some diamonds. By the time his adventure is over, he might even be good enough to not be called a noob anymore.
