

Blood Bond: Book 3, Dirty Blood series

Book 3 in the bestselling Dirty Blood series will leave you breathless!

Hybrids. If I had to choose one word to sum up all of my problems, this would be it. Without hybrids, I wouldn't have to watch my best friend slowly becoming a monster. Without hybrids, I could let go of the mentality hunt or be hunted. CHAS wouldn't be scouring the Earth, intent on slaughtering and using Alex to do it. Without hybrids, I wouldn't have to be on guard that losing my temper meant losing my shape. There would be no monster inside me, struggling to get out. Then again, without hybrids, I wouldn't have Wesley St. John.
