

Alice in Wonderland: Down The Rabbit Hole

Alice's Adventures in Wonderland (commonly shortened to Alice in Wonderland) is an 1865 novel written by English author Charles Lutwidge Dodgson under the pseudonym Lewis Carroll. It tells of a girl named Alice who falls down a rabbit hole into a fantasy world (Wonderland) populated by peculiar, anthropomorphic creatures. The tale plays with logic, giving the story lasting popularity with adults as well as children. It is considered to be one of the best examples of the literary nonsense genre, and its narrative course and structure have been enormously influential, especially in the fantasy genre. 86 pages with illustrations, 26000 words.
