

## Eamon Kelly: The Storyteller

The definitive autobiography of Ireland's Master Storyteller. . Known in Ireland as the seanchai in the 1950s and 1960s for his RTE broadcasted stories, Eamon Kelly brought a tradition of storytelling to the masses both in his published works and for years in Galway where he ran a one-man show telling stories to enthusiastic, receptive crowds. Born in 1914, the man himself died in 2001, having traveled the world, been nominated for a Tony on Broadway and shared countless hours of stories with his Irish audience back home.
