

Fifty Shades of Grey & Grey

The first book in the phenomenal Fifty Shades trilogy plus Grey: Fifty Shades of Grey as told by Christian. Fifty Shades of Grey When literature student Anastasia Steele interviews successful entrepreneur Christian Grey, she finds him very attractive and deeply intimidating. Unworldly and innocent, Ana is shocked to find she wants this man, and excited when she realises that Christian wants her too. As they embark on a passionate love affair, Ana discovers more about her own desires, as well as the dark secrets Christian keeps hidden away from public view. Christian Grey exercises control in all things; his world is neat, disciplined, and utterly empty until the day that Anastasia Steele falls into his office. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?
