

Lynn, a swimmer, and Lisa, a golfer, are devastated when their friend Hope becomes paralyzed due to Guillain-Barre Syndrome. Lying in her hospital bed, Hope agonizes over her sudden condition. What is wrong with me? Why can't I move my legs? Why do my arms and hands feel strange? Am I going to die? The twins witness Hope's struggles and fears. What are the creative ways they devise to support Hope through this trauma?
