

## Substance: Inside New Order

Two acclaimed albums, an upcoming US tour - Joy Division had the world at their feet. Then, on the eve of that tour and the beginning of what would surely have been an international success story, the bands troubled lead singer, Ian Curtis, killed himself. We didnt really think about it afterwards. It just sort of happened. One day we were Joy Division, then our lead singer killed himself and the next time we got together, we were a new band...Peter Hook That band was New Order.
