

Follow along as a cacophony of strange and highly unusual sounds fill the room. There are grumbles and snorts, snuffles and wails. We must try to uncover whether this creature has tails! Children are growing up in increasingly diverse families. These children deserve to have access to books that offer them stories where they can find a better representation of their own family dynamic. Fairy Goblin's Grin, the first in the Fairy Goblin Tales Series, is offered in a variety of versions (see below) and makes a wonderful gift for new parents as well as a keepsake to help remember those early days and weeks upon bringing baby home.
