

Fearless: Double Edition #4 : Twisted (#4) & Chase (#28)

#4: TWISTED DAVID: INTRIGUING. PENSIVE. PENETRATING. MYSTERIOUS. DANGEROUS. AND INTERESTED. BUT MOST IMPORTANTLY -- HES NOT SAM. It all began in a funky brownstone on Perry Street where Gaia Moore lived with her foster family. But Gaias little Village was brimming with people hell-bent on her own destruction, and her efforts to stay safe took her from parkside chess tournaments to greasy spoons, from the posh Upper East Side to scuzzy college dorm rooms. Along the way she managed to pick up a skate rat, a beauty queen, a hottie reformed school nerd, a recovered punk-rocker, and even a Soviet junior detective. None of whom turned out to be what he or she originally seemed.... Now, in one volume, keep pace with Gaias latest adventures and revisit the origins of her unique story! #28: CHASE IF TATIANAS MY EVIL STEPSISTER, AND NATASHAS MY WICKED STEPMOTHER, THEN WHAT DOES THAT MAKE LOKI -- SOME KIND OF KNIGHT IN SHINING ARMOR? YEAH, RIGHT.
