

## Child Soldiers: War Against War Crimes

A child is born with no eye for right or wrong. Unstained by the impressions of what is to come, innocence or guilt. A truly open palette. Amenable, vulnerable and easily dyed in any color. The ultimate killer. The affordable soldier. Luke Weldon visits Africa on a holiday trip to write a short paper on children his age in Africa. A leisure trip that ends after being abducted by the LRA to a notorious rebel camp. Luke is locked in a cage with some other children but soon wins the heart of another abducted child, the hard-nosed local girl, Junta Utakpa. In a few days, Luke and Junta attempt the ultimate escape from the camp. But, there was one problem. A very huge problem. The Axe Man was the only way in and out of the rebel camp. If they truly wanted to escape, they both had to face him head on
