

# Foundations of Art and Design: An Enhanced Media Edition

FOUNDATIONS OF ART AND DESIGN:AN ENHANCED MEDIA EDITION has a logical and structured organization, moving from micro to macro topics, enabling students to build on ideas and concepts of design, and better understand the material. The author has written a book flexible and visual enough to suit any design course and every design student. Hundreds of examples of contemporary and classic art reflect the world students inhabit and, along with the books unique visual glossaries, make this text an ideal foundation of design principles. This new Enhanced Edition includes Project boxes which show students examples of how they can apply key points from the chapters content. In addition, Art CourseMate, featuring an interactive eBook and a wealth of online resources, is now available for this text.Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
