

Foxworth Academy: Freshman Year - Part I

Entering high school at Foxworth Academy - a school for the ultra smart, athletic, and wealthy - Brett Logan is your typical shy freshman. But that is about to change. For years rumors have circled about what goes on in Mr. Martins ultra secretive history class, and past students have all kept quiet, leaving Brett to wonder what really goes on. Until now. When class begins, Brett is joined by Ally, who is prettier than his envious girlfriend, in a race against time. What happens next and the decisions they choose are vital, for one single misstep could alter the course of history...forever. *This is a 35,000 word novella of approximately 150 pgs and the first book in a series.
