

## Freak Police: Reunion (A paranormal procedural) (The Jackson Cane Adventures Book 1)

Play cops and monsters with Jackson Cane and the Freak Police as they chase certain undesirables through the portals that lead them back to their own dimension. Cane's the best, but in his coming cases he's going to come face to face with someone he's not sure he wants to see again, battle creatures he's never seen before, and go up against something he thought was just a legend. In this first adventure, Jackson Cane is called to a gruesome crime scene that looks like the handiwork of someone he knows all too well. He hopes he's wrong, because, if he's not, he's headed for a reunion he never wanted to happen. This nearly 8,000 word short story is the first in a series.
