

Ember (Keeper of the Fae Series) (Volume 1)

Welcome to Ember Falls Our love story is typical; girl meets the boy next door. Cliche, I know. But as cliché as it sounds, it kind of fits. Not all love stories are original, but ours is everlasting. But there is also one problem it is also forbidden. My name is Charlotte and I am adopted. I don't know of my birth parents, nor have I really had a reason to know them. Until I met him Hunter Crawley and his beyond perfect siblings who act as his parents. Oh, did I mention he is a Fae? And that I was destined to protect him? I am a Keeper, which is another term for witch. I was born to protect the Fae from The Society, a group of evil male Keepers, who are Warlocks. They want to find Ember Falls, kill out the Fae, and take over. I can't let that happen though, because I hold the key to Ember Falls existence. I am Charlotte O'Donnell, welcome to my life.
