Each culture in the world brings its own particular traditions and ideas and stories when it comes to the theme of health and wellness. In the past, many people in the United States considered these remedies to be folklore, old wives tales, and overall ineffective remedies. We became reliant on medication for everything and less focused on the effects of the chemicals that we were putting in our bodies. Everything was processed, sterilized and pasteurized and preserved for our safety. The ideas of ancient remedies were ignored and forgotten. 7 Reasons To Buy This Book
