

All Smoke No Fire: A Red Hot Cajun Nights Book (All Cowboy Series) (Volume 3)

Dax Marshall is surprised when country music singer Marilou Roselle calls him out on stage to perform the song he hoped to sell her. But hes downright shocked when she invites him to ride with her to New Orleans for a Mardi Gras performance. He makes the uncharacteristic choice to take time off from his job on the oil field, and head south with her. But somewhere between South Dakota and Louisiana, he falls for the intelligent, motivated, sensual woman. Marilou sees great potential in Dax, with his deep, seductive voice and strong, sexy body, but she knows hell always stay behind the scenes as a songwriter if she doesnt nudge him toward a singing career. The attraction between them grows hotter than a Bourbon Street bar on Mardi Gras Day and they give in to their wild desire. But Dax learns hes not Marilous first project and heads home, confused and heartbroken. Can she convince him that their bond isnt like those other times, that what she feels for him is real? Or is what they have all smoke and no fire?
