Fairy Tales and stories for childrens. Book 23: 1. The Railway Children; 2. The Enchanted Castle; 3. Peter and Wendy; 4. The Admirals Caravan. 1. The Railway Children. The Railway Children is a childrens book by Edith Nesbit, originally serialised in The London Magazine during 1905 and first published in book form in 1906. It has been adapted for the screen several times, of which the 1970 film version is the best known. The story concerns a family who move from London to The Three Chimneys, a house near the railway in Yorkshire, after the father, who works at the Foreign office, is imprisoned after being falsely accused of spying. The children befriend an Old Gentleman who regularly takes the 9:15 train near their home; he is eventually able to help prove their fathers innocence, and the family is reunited. 2. The Enchanted Castle. The Enchanted Castle is a childrens fantasy novel by Edith Nesbit first published in 1907. The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. 3. Peter and Wendy. Published: 1911 Peter Pan; or, the Boy Who Wouldnt Grow Up or Peter and Wendy is J. M. Barries most famous work, in the form of a 1904 play and a 1911 novel. Both versions tell the story of Peter Pan, a mischievous little boy who can fly, and his adventures on the island of Neverland with Wendy Darling and her brothers, the fairy Tinker Bell, the Lost Boys, and the pirate Captain Hook. The play and novel were inspired by Barries friendship with the Llewelyn Davies family. Barrie continued to revise the play for years after its debut until publication of

the play script in 1928. 4. The Admirals Caravan. The Admirals Caravan is a novel by Charles E. Carryl, written in 1891 and published by the Century Company of New York in 1892. It is one of many literary imitations inspired by Lewis Carrolls two books, Alices Adventures in Wonderland and Through the Looking-Glass. It appeared in serialized form in the childrens periodical St Nicholas beginning in 1891. The story is about a young girl named Dorothy who takes a journey with three wooden statues who come alive on Christmas Eve.
