

Gaias Secret: A Pandoran Novel #1

****AN AMAZON #1 BESTSELLER IN TEEN FANTASY/ROMANCE**** ...loved this book...plot twist after plot twist, each one more shocking than the one before. ~ READERS FAVORITE REVIEW, 5 stars
Eighteen-year old Daria Jones feels trapped in the cow-strewn suburbs of Fresno, California. And with a father so overprotective he's installed video and thermal surveillance down the street, she doesn't get out much. Until the night he disappears. Following the trail of notes he's left behind, Daria gathers three things: a dark force is hunting her, her father fled to another world on a cryptic mission, and the only one left to trust is her ex-best friend, Alexander Anderson. The more she learns about her father's absence, the more she realizes she must go to this other world to find him. And Alexander is the only one who knows how to get there. Amidst a world of diabolical creatures, ancient magic, and bizarrely intuitive vegetation, Daria must find her father before the dark force finds her. But the truth of who she really is could be her greatest enemy of all. [Second Edition published February 2, 2015] ...beautiful balance of romance, fantasy, and coming-of-age. - Brea Nicole Bond, Author ...subtle romance mixed with adventure and fantasy. - Amazon Review Perfect for fans of Throne of Glass, Falling Kingdoms, and the Lunar Chronicles.
