

Kicking The Step Out of Mom: Building Blocks For Successfully Raising a Blended Family

No one can prepare you for every family issue that a blended family may encounter; however, life presents similar family issues. Whether you have ever been married or never been married, in this book you will find helpful tips, nuggets and building blocks for raising your blended family. Time to get rid of the ugly Cinderella stereotypical Stepmom that brings division and separation in your home. Originally, when you consider the name Stepmom or Stepmother, it was designed to step in and take the mothers place in the event that something happen to the mother. Throughout the years the dynamics of the role has changed and some Stepmoms have become unlovable, unbearable and downright evil. It is my endeavor to assist those who are overwhelmingly challenged in this role as a stepmom or stepmom to be.
