

GodSpeed: The Kurt Cobain Graphic tells Cobains story in the format of a totally unique graphic novel. Writers Barnaby Legg and Jim McCarthy have constructed their story using biographical fact interwoven with references to the singers tortured self-image. The vibrant art by Flameboy captures both the subjective dreamscape and the objective reality that form the heart of this examination of a tragic musical legend. Much more than a biography, GodSpeed is unlike anything you have read about Kurt Cobain before. Going beyond the facts it transmutes an extraordinary life into an equally extraordinary work of art.
