

Master the GRE: Analytical Writing: Part III of V

Peterson's Master the GRE: Analytical Writing is an in-depth resource for preparing for the Issue Task and the Argument Task of the GRE revised General Test. This eBook will first familiarize you with the Issue Task: how the issue prompt is set up, what you need to do with it, and how the scoring process works. It will then discuss the scoring rubric that is used to evaluate your essay. You will review the components of a successful issue essay and work through six sample essays. Following this are basic information about the argument task, the type of question you'll encounter, and the instructions that follow it. This eBook will walk through strategies that will aid you in crafting a successful response. The review will end with a sample argument task and six responses, complete with analyses based on the official scoring rubric.
