

## The Princess and the Duke (Crown and Glory)

Princess Meredith Elizabeth Penwyck had filled her fantasies with Duke Pierceson Prescotts silvery-green gaze for as long as she could remember. But then they shared a steamy kiss at a royal wedding, and the pristine princess discovered that her feelings were much more than make-believe....Plagued by his perilous past, Duke Prescott had shielded his desire for Princess Meredith since he was a young cadet. But once her lips opened the floodgates of his passion and the truth behind his dark secrets came tumbling out, would he learn that the hole in his heart could only be healed by the princess tender touch?
