

His Every Fantasy (Sultry Summer Nights)

Fans of Sylvia Day and E. L. James will love the second book in New York Times bestselling author Delilah Devlin's sensual and erotic series. A Sultry Summer Nights Novel. The last thing ex-SEAL Sergei Gun needs is a complication. As part of a powerful black-ops company, he's led an extraction team into the Mexican jungle to rescue two men who have been kidnapped. Everything has gone according to plan until Serge discovers a third hostage—an exquisitely beautiful woman with a secret haunting her stormy gray eyes . . . a woman who refuses to make this rescue easy. With no choice but to bring her back to the compound deep in the sultry, steamy Louisiana bayou, Serge vows to protect her, body and soul . . . Kara Nichols never imagined that she'd capture the interest of a powerful man like Serge. Yet from the moment they met, she's fantasized about his strong hands caressing her naked skin, his musky scent lingering on her sheets. What began as a simple rescue mission ignites into a passionate affair. As Serge teaches her the tantalizing art of surrender, Kara finds herself more than willing to shed every last one of her inhibitions and submit to him fully. But the dark, dangerous forces that captured Kara aren't ready to let her go so easily . . . 70,000 words
