

Bad Haircut

The literary debut from the author of *Little Children*, *Election* and *The Abstinence Teacher*. Tom Perrotta's first novel takes readers to semi-fictional Cranwood, in small-town New Jersey. Set between fall 1969 and the summer of 1980, *Bad Haircut* consists of ten tales; reflecting a coming-of-age in the kitsch era of platforms and disco. The novel charts the struggles of a boy called Buddy with the timeless mysteries of sex, death, parents and, of course, bad haircuts as he grows from Cub Scout to college kid. A touching collection of tales, *Bad Haircut* is Perrotta's perfect observation of the tribulations and tenderness of adolescence.
