

Billboard Man

He saw in the rusted mirror the man he'd become, new scars and all. His wife killed, his family shattered, a man takes to the road, wandering lost and alone?except for the comfort of a kind of woman he can't deny. When a tryst in the shadow of Arizona's red rocks leads to murder, the man sets out to clear his name and corner the killer, unaware that a madman is on his trail?and the trail of his estranged daughter. The second audiobook in the Sam series, *Billboard Man* follows Jim Fusillis drifter antihero, who once again learns there's no place to hide on the long, dark road when so many people want him dead.
